This is a comprehensive, powerful treatment of all core elements of new leadership from the ethical to the political, from the emotional to the entrepreneurial. Passionate Leadership in Education

Brent Davies & Tim Brighouse

'Passionate Leadership is a fantastic book by leading thinkers and doers in the education field. It takes moral purpose to new levels, and above all it puts passion in perspective. The book shows that it is not passion by itself that counts but in combination with strategies, insights and daily wisdom. Above all this is a book of action, not rhetoric' - **Michael Fullan, Professor Emeritus, OISE/University of Toronto and Special Adviser on Education to the Premier of Ontario**

Developing Sustainable Leadership

Brent Davies

'School leaders and teachers know a lot more than they think they do. So, what prevents the release of that creative energy? Look, no further than this thought provoking collection of essays from world leading scholars. It treats us to a kaleidoscopic view of what we *do* know, what we *ought* to know and what we urgently need to do to harness the power of sustainable leadership. Policy makers, please take careful note!' - **John MacBeath, Professor Education Leadership, University of Cambridge**
